

ELECTRICAL SAFETY POSTER CONTEST

HEY KIDS! WE NEED YOUR HELP REMINDING OUR COMMUNITY TO BE SAFE AROUND ELECTRICITY. DESIGN A POSTER THAT TEACHES YOUR FAMILY AND FRIENDS WAYS THAT THEY CAN STAY SAFE AROUND ELECTRICITY, SEND IT TO US, AND YOU MIGHT WIN! ONE WINNER FROM EACH AGE GROUP WILL EACH RECEIVE A PRIZE, AND THEIR POSTERS WILL BE DISPLAYED ONLINE, IN PRINT AND AT THE 78TH HCEC ANNUAL MEETING OF MEMBERS!
SO PUT ON YOUR {SAFETY} THINKING CAP, AND SEND IN YOUR UNIQUE SAFETY POSTERS TODAY!

Electricity helps us power the things we do every day like watch TV, play video games, turn on the lights, use our computers and charge our phones. But the same power that we use to learn, cook, and have fun can be dangerous if not used carefully. That's why HCEC is asking kids to help us keep electrical safety a top priority for their friends, families and community.

HCEC'S ELECTRICAL SAFETY POSTER CONTEST INVITES KIDS IN GRADES K-5 TO DESIGN AN ELECTRICAL SAFETY POSTER THAT WILL BE DISPLAYED TO REMIND MEMBERS TO BE SAFE AROUND ELECTRICITY! THE WINNING POSTERS WILL BE EYE-CATCHING AND WILL CREATIVELY HELP US SPREAD THE WORD ABOUT THE IMPORTANCE OF ELECTRICAL SAFETY.
