Re: Docket No. 47898, Petition of East Texas Electric Cooperative, Inc. to Transfer
35 MW Load to ERCOT

Dear Commissioners,

I would like to express my support for East Texas Electric Cooperative, Inc.'s (ETEC's) petition to transfer a portion of its load into ERCOT. As a member of Houston County Electric Cooperative, Inc., a distribution cooperative member of ETEC, I am a customer that will be directly impacted by the proposed load transfer. I do not wish to intervene in Docket No. 47898. I send this letter to respectfully request that the Commission approve ETEC's petition, as it is in the best interest of all Texas electric customers.

Respectfully,
