- (a) Texas Electric Cooperative Corporation Act; and
- (b) any other applicable local, state, and federal constitutions, statutes, ordinances, regulations, holdings, rulings, orders, and similar documents or actions, whether legislative, executive, or judicial.

ARTICLE II MEMBERSHIP

Section 2.01. Member Qualifications. Except as otherwise provided in these Bylaws, an individual or an entity may become and remain a Member of the Cooperative (“Member”) only if: (1) the individual or entity has the capacity to enter legally binding contracts (“Person”); and (2) the Person uses, requests, or agrees to use electric energy provided by the Cooperative and products or services related to the Person using electric energy provided by the Cooperative. “Electric Service” shall mean electric energy and products or services related to a Person using electric energy provided by the Cooperative.

Section 2.02. Membership Procedure. Except as otherwise provided in these Bylaws or by the Cooperative’s board of directors (“Board”) a qualified Person must satisfy the provisions of this Section to the Cooperative’s satisfaction (“Membership Procedures”) to establish status as a Member of the Cooperative (“Membership”). To establish a Membership a Person shall agree to:

- (a) make application for Membership, in whatever form or by whatever method determined by the Cooperative;
- (b) provide information and any deposit reasonably requested by the Cooperative, for the purpose of establishing a new account with the Cooperative;
- (c) shall complete any additional or supplemental documents, agreements, or actions required by the Cooperative for Electric Service;
- (d) be a Member of the Cooperative and purchase Electric Service from the Cooperative; and

- (e) comply with and be bound by the Articles and these Bylaws and any amendments thereto and such rate schedules, policies, and rules as may from time to time be adopted or amended by the Board (collectively, the “Governing Documents”).

The Cooperative may waive the requirements of the provisions in this Section and allow a Person to establish or maintain a Membership upon other terms determined by the Board which may include the execution of an electric service agreement with the Person or Member.

Individuals in a legally recognized relationship each of whom qualifies to be a Member may hold a joint membership in the Cooperative (“Joint Membership”) or convert an individual Membership in accordance with the Membership Procedures. Holders of a Joint Membership: (1) shall enjoy the rights, benefits, and privileges, and are subject to the obligations, requirements, and liabilities, of being a Member; (2) shall notify the Cooperative in writing of a cessation of the legally recognized relationship or the death of a holder of a Joint Membership; and (3) shall have a single vote for all matters subject to a vote of the Members.

Other than a Joint Membership, no Membership may be shared or held by more than one Person simultaneously, though the rate schedules, policies, and rules of the Cooperative may allow multiple Persons to guarantee payment on an account.

Section 2.03. Membership Fee. The Board may establish a membership fee.

Section 2.04. Membership Agreement. The Articles and these Bylaws are contracts between the Cooperative and a Member. By becoming a Member, the Member acknowledges that: (1) every Member is a vital and integral part of the Cooperative; (2) the Cooperative’s successful operation depends upon each Member complying with the Governing Documents; and (3) Members are united in an interdependent relationship.

A Member shall: (1) comply with the Governing Documents; and (2) pay the Cooperative for the Cooperative’s damages, costs, or expenses, including attorney fees and legal expenses, caused by or associated with the Member’s failure to comply with the Governing Documents. If a Member fails to comply with the Governing Documents the Cooperative may cease providing Electric Service to the Member or terminate the Membership. Regardless of whether money damages are available or adequate, the Cooperative may: (1) bring and maintain a legal action to enjoin the Member from violating the Governing Documents; and (2) bring and maintain a legal action to order the Member to comply with the Governing Documents.

Section 2.05. Liability. A Member is not liable to third parties for the Cooperative’s acts, debts, liabilities, or obligations, except as otherwise agreed to by the Cooperative and the Member.

A MEMBER SHALL INDEMNIFY THE COOPERATIVE FOR, AND HOLD THE COOPERATIVE HARMLESS FROM, LIABILITIES, DAMAGES, COSTS, OR EXPENSES, INCLUDING REASONABLE ATTORNEY FEES AND LEGAL EXPENSES, INCURRED BY THE COOPERATIVE, OR BY A DIRECTOR, OFFICER, EMPLOYEE, AGENT, OR REPRESENTATIVE OF THE COOPERATIVE THAT IS CAUSED BY THE MEMBER'S NEGLIGENCE, GROSS NEGLIGENCE, OR WILLFUL MISCONDUCT, OR BY THE UNSAFE OR DEFECTIVE CONDITION OF A LOCATION OCCUPIED OR CONTROLLED BY THE MEMBER.

Section 2.06. Use of Electric Service. A Member shall use Electric Service provided by the Cooperative provided, however, that the Board may limit the amount of electric energy which the Cooperative shall be required to furnish to any one Member.

- (a) Payment for Electric Service. Based upon the different costs of providing Electric Service to different classes of Members, the Cooperative may charge each class a different price or rate. Each Member who has requested Electric Service shall, as soon as Electric Service is available, be liable to the Cooperative for any minimum amounts required by the Cooperative per month regardless of the amount of electric energy consumed or regardless of whether the Member is ready to receive Electric Service. At prices, rates, or amounts determined by the Board, and pursuant to the manner specified by the Cooperative, a Member shall pay the Cooperative: (1) for Electric Service provided to a location requested by the Member; and (2) other amounts as may be required by the Cooperative.

Dues, assessments, contributions, or other amounts paid by the Member to the Cooperative may pay for periodical subscriptions received by the Member from the Cooperative or from an entity in which the Cooperative is a member or owner.

As provided by the Board: (1) a Member may be charged and shall pay interest, compounded periodically, and late payment fees for amounts owed, but not timely paid, to the Cooperative; and (2) regardless of the Cooperative's accounting procedures, the Cooperative may apply amounts paid by a Member to all of the Member's accounts on a pro rata basis.

- (b) Resale of Electric Service. Except as the Cooperative may allow in writing, a Member may not sell, lease, or otherwise transfer Electric Service provided by the Cooperative or a right to the Electric Service provided by the Cooperative.

Section 2.07. Provision of Electric Service. A Member shall comply with reasonable procedures required by the Cooperative regarding the provision of Electric Service and take or cease any act required by the Cooperative to safely, reliably, and efficiently operate the Cooperative and provide Electric Service.

The Cooperative shall provide Electric Service to Members in a reasonable manner. The Cooperative, however, does not insure, guarantee, or warrant that it will provide adequate, continuous, or non-fluctuating electric energy or other Electric Service. The Cooperative is not liable for damages, costs, or expenses, including attorney fees or legal expenses, caused by the Cooperative providing inadequate, non-continuous, or fluctuating electric energy or other Electric

Service, unless the damages, costs, or expenses are caused by the Cooperative's gross negligence or willful misconduct.

Section 2.08. Right of Entry and Grant of Property Rights. As required by the Cooperative and in partial consideration for providing Electric Service, a Member shall provide the Cooperative access to or use of real property in which the Member holds an interest sufficient to grant such use ("Member Property") for the purpose of: (1) restoration efforts; (2) addressing an emergency situation; or (3) for any other reasonable purposes required to provide Electric Service.

In partial consideration for providing Electric Service, pursuant to Law and any terms and conditions specified by the Cooperative, and without compensation from the Cooperative, a Member shall grant or convey to the Cooperative a written easement, right-of-way, or license for use of Member Property as specified by the Cooperative for the purpose of providing Electric Service to the Member or one or more other Members.

Section 2.09. Dispute Resolution. A Member may submit a claim or dispute between the Member and the Cooperative regarding the Governing Documents or Electric Service to the Board for resolution. The Board may establish a policy establishing a procedure for submitting a claim or dispute to the Board. If the Board is unable to resolve the dispute, then the Cooperative and the Member shall cooperate to select one or more mediators to help resolve the dispute. If no resolution of the dispute occurs through mediation any party may demand binding arbitration as provided under the laws of the State of Texas.

Section 2.10. Member Termination / Cessation of Electric Service. A Membership is terminated upon the Cooperative learning of the Member's death, legal dissolution, or legal cessation of existence. The Cooperative may terminate a Membership if the Member ceases to use Electric Service for any reason or if the Member fails to comply with the Governing Documents.

When a Membership is a Joint Membership, upon the death of either individual in the legally recognized relationship, such Membership shall be deemed to be held solely by the survivor with the same effect as though such Membership was originally in his or her name, as the case may be. Cooperative Records shall be updated to reflect that the Membership shall be held in the name of the survivor, provided, however, that the estate of the deceased shall not be released from any Membership debts or liabilities to the Cooperative until the satisfaction of such debts or liabilities.

Except as otherwise provided by the Board, a partnership Member continuing to use Electric Service is not suspended or terminated upon the death of a partner or following any other alteration in the partnership. A partner departing a partnership Member remains liable to the Cooperative for Electric Service provided to or for the Member before, and amounts owed to the Cooperative by the Member at the time of, the partner's departure.

Termination of Membership in any manner shall not release the Member from debts or liabilities of such Member to the Cooperative. The Cooperative may recover its costs for Cooperative facilities or equipment that has not been recovered and for removing Cooperative facilities or equipment when a Member ceases to use Electric Service at a particular location.

Section 2.11. Access to Cooperative Records. In general, any Member of the Cooperative may inspect and/or obtain copies of the Cooperative's books, records and/or Membership list ("Cooperative Records") if for a proper purpose that serves the interests of the Cooperative and its Members. A Membership list provided by the Cooperative may only include the names, addresses and Director Districts of all Members. The Cooperative's policies may establish procedures by which a Member may inspect and/or obtain copies of Cooperative Records. Nothing in this Section shall prevent or limit the ability of the Cooperative to establish a policy or procedure that limits or restricts disclosure of Cooperative Records that may be considered confidential, proprietary, or protected by agreement. The procedures for inspecting and/or obtaining copies of Cooperative Records may require the Member to provide a sworn affidavit stating that the purpose for requesting Cooperative Records is for a proper purpose that serves the interests of the Cooperative and its Members.

ARTICLE III. MEMBERS' MEETINGS

Section 3.01. Member Meetings. The Cooperative shall hold an annual meeting of the Members and may hold a special meeting of the Members (collectively or individually, "Members' Meeting").

- (a) Annual Meeting. The annual meeting of the Members ("Annual Meeting") shall be held on the last Thursday in October of each year, or if necessary due to scheduling and event conflicts, at such date and time as designated by the Board. The Annual Meeting will be held at such place(s) in any county in which the Cooperative provides Electric Service. Failure to hold the Annual Meeting at the designated time(s) shall not work a forfeiture or dissolution of the Cooperative.

At the Annual Meeting: (1) the results of any Member votes and/or Director elections shall be provided; (2) a written or oral report regarding the activities of the Cooperative shall be provided; (3) a written report regarding the financial condition of the Cooperative shall be provided; and (4) Members shall be allowed an opportunity to voice concerns or raise questions about the Cooperative's operations.

- (b) Special Meetings. The Cooperative shall hold a special meeting of the Members ("Special Meeting") upon receiving: (1) a written or oral request from the President; (2) a written or oral request from a majority of the members of the Board ("Directors"); or (3) one or more written demands signed and dated within ten (10) days after the first signature by at least ten percent (10%) of the Members, with each page of each written demand requesting and describing the purpose of the meeting ("Member Demand").

The Board shall determine the date, time, and location of a Special Meeting. A Special Meeting may be held within any county in which the Cooperative provides Electric Service.

Section 3.02. Notice of Members' Meeting. Written or printed notice stating the place, day, and hour of a Members' Meeting and, in the case of a Special Meeting, each purpose for which the

meeting is called (“Member Notice”) shall be delivered to each Member not less than ten (10) days nor more than thirty (30) days before the date of the meeting. If mailed, the Member Notice shall be deemed to be delivered when deposited in the United States mail, addressed to the Member at the Member’s address as it appears in Cooperative Records. A Member Notice may be delivered electronically or by other means and shall be deemed to be delivered when submitted for delivery. The failure of any Member to receive a Member Notice shall not invalidate any action which may be taken by the Members at a Members’ Meeting.

Section 3.03. General Quorum Requirement. A “Quorum” shall mean that established by the Members in the Articles.

Section 3.04. Proxies. Except as otherwise provided in these Bylaws, a Member may grant a proxy to the Board for the purpose of establishing a Quorum at a Members’ Meeting, authorizing the transaction of business at a Members’ Meeting and authorizing the Board to vote on the Member’s behalf on matters submitted to a vote of the Members by Official Ballot, other than the election of Directors (“Member Proxy”). Except in instances specifically mandated by Law or the Articles, a Member may not appoint another Person to vote on any matter for the Member.

Section 3.05. Agenda, Attendance, and Transaction of Business at Members’ Meetings. Except as otherwise provided in these Bylaws, before or at a Members’ Meeting, the Board: (1) shall determine the agenda, program, or order of business for the Members’ Meeting; and (2) may limit attendance at the Members’ Meeting to Members entitled to participate in the meeting.

Except as otherwise provided by the Board or the President before or at a Members’ Meeting, the President: (1) shall preside at a Members’ Meeting; (2) may exercise power reasonably necessary for efficiently and effectively conducting the Members’ Meeting.

Except as otherwise provided by these Bylaws, Members attending a Members’ Meeting at which a Quorum has been established may only consider, vote, or act upon the following: (1) procedural matters; and (2) a Member Resolution calling for a vote of all Members on matters described in the Member Notice. However, Members attending a Members’ Meeting at which a Quorum has been established may raise or discuss and vote on a Members’ Resolution calling for a vote of the Members on any matters if: (1) at least ten percent (10%) of the Members entitled to participate in the Members’ Meeting sign one or more written requests to raise or discuss the Member Resolution; and (2) the Cooperative receives all written requests at least ten (10) days before the Members’ Meeting.

Section 3.06. Member Waiver of Notice. Unless a Member objects to holding a Members’ Meeting, or to transacting business at the Members’ Meeting, the Member’s attendance in person, by Cast Ballot, or by Member Proxy waives the Member’s objection to lack of notice, or to defective notice, of the Member’ Meeting. Unless a Member objects to considering, voting or acting upon, a matter at a Members’ Meeting, the Member’s participation in the vote or attendance in person at the Members’ Meeting waives the Member’s objection to considering, voting or acting upon, the matter at the Members’ Meeting.

ARTICLE IV. MEMBER VOTING

Section 4.01. Member Votes. Each Member shall be entitled to one (1) vote on matters submitted to a Member vote or in each Director election for each specific Director position which a Member is entitled to vote. A Member may be required to provide evidence of Membership in order to vote and to vote as an entity Member, an individual may be required to provide evidence requested by and satisfactory to the Cooperative that the individual is authorized to vote on behalf of the entity Member.

A Member shall be deemed to have a “Voting Residence” where a Member uses Electric Service. A Member who uses Electric Service in more than one location may designate the Member’s Voting Residence, but a Member may only have one Voting Residence.

Section 4.02. Matters Requiring a Vote. Matters requiring a vote of the Members shall be: (1) those required by Law; (2) those required by the Articles; (3) those required by these Bylaws; (4) the election of Directors; (5) those determined by Board resolution; or (6) those determined by a properly adopted resolution of the Members (“Members’ Resolution”).

Section 4.03. Record Date. The “Record Date” shall be the date for determining Members entitled to: (1) receive an appointment or designation; (2) sign a Director Nominating Petition, Director Removal Petition, request, Member Demand, or other similar document; (3) be mailed an Official Ballot, Member Notice, or other similar document; or (4) cast an Official Ballot or vote.

The Board may fix the Record Date, but the Record Date shall comply with any applicable Law and shall not be more than twenty (20) days before the date a document is due or the date the action is taken. Unless otherwise established by the Board, the Record Date shall be the date preceding the date a document is due or date the action is taken. Section 7.06. Waiver of Board Meeting Notice. At any time, a Director may waive notice of a Board meeting by delivering to the Cooperative a written waiver of notice. The Cooperative is obligated to account, to all Members for all revenues from furnishing electric energy or from providing other goods and services in excess of operating costs and expenses properly chargeable against furnishing electric energy or against providing such other goods and services during the fiscal year, all as determined under federal cooperative tax law ("Margins"). The Cooperative shall allocate Margins to its Members in proportion to the amount of business done with each Member during the fiscal year and pay by credits to a capital account for each Member the amount of Margins allocated to a Member. For each amount of Margins allocated to a Member, the Member shall contribute a corresponding amount to the Cooperative as capital. At the time of receipt by the Cooperative, each capital contribution is treated as though the Cooperative paid the amount allocated to the Member in cash pursuant to a pre-existing legal obligation and the Member then contributed the corresponding amount to the Cooperative as capital. The term "Capital Credits" shall mean the amount of Margins allocated to a Member and contributed by the Member to the Cooperative as capital. The Cooperative shall maintain books and records reflecting the Capital Credits of each Member for each fiscal year.

The manner and method of allocating Margins is at the sole discretion of the Board so long as it is consistent with these Bylaws. The Cooperative must allocate Capital Credits in a Member's name as shown in Cooperative Records, regardless of the Member's marital status.

The Cooperative may use or invest unretired Capital Credits as determined by the Board.

- (b) Allocation of Losses. No allocations will be made to Member's capital account if the expenses properly chargeable against furnishing electric energy or against providing other goods and services exceed the revenues from furnishing electric energy or providing other goods and services during a fiscal year, all as determined under federal cooperative tax law. The Cooperative, as determined by the Board and as allowed by Law or its lenders, may: (1) offset the loss with the Cooperative's Margins, if any, from future fiscal years; or (2) offset the loss with certain Nonoperating Margins from the current or future fiscal years.
- (c) Notification of Capital Credits. The Cooperative shall, within a reasonable time after the close of the fiscal year, notify each Member of the amount of capital so credited to the Member's capital account. Individual notices of the amount of capital so credited to the capital account shall not be required if the Cooperative notifies all Members of the aggregate amount of capital so credited to all of the Members' capital accounts and

provides a clear explanation of how each Member may compute and determine the specific amount of capital so credited to the Member.

Section 10.03. Retiring Capital Credits. The Cooperative may retire and pay Capital Credits to Members and former Members as provided in this Bylaw. If the Cooperative retires and pays Capital Credits, then the Cooperative must retire and pay Capital Credits in a Member's or former Member's name as shown in Cooperative Records, regardless of the Member's or former Member's marital status. If the Cooperative mails a retired Capital Credit payment, then the Cooperative shall mail the payment to the Member's or former Member's address as shown in Cooperative Records. It shall be the responsibility of the Member or the former Member to provide the Cooperative with any address change. Any money that the Cooperative attempts to deliver to a Member or former Member, but unclaimed by the Member or former Member within the time prescribed by Law, may be used as allowed by Law. The Cooperative shall maintain books and records reflecting the retired and paid Capital Credits to Members and former Members.

- (a) General Capital Credit Retirements. At any time before the Cooperative's dissolution, liquidation, or other cessation of existence, the Cooperative may generally retire and pay some or all Capital Credits allocated to Members and former Members.

Consistent with this Bylaw, the retirement and payment of Capital Credits are at the sole discretion of the Board and are not affected by previous retirements and payments. The manner, method, and timing of retiring and paying Capital Credits may be determined only by the Board.
- (c) Special Capital Credit Retirements. The Cooperative may specially retire and pay some or all Capital Credits allocated to an individual Member or former Member at the discretion of the Board and after considering the financial condition of the Cooperative: (1) after the death of the individual; (2) after receiving written or electronic request from the deceased individual's legal representative; and (3) according to the terms and conditions agreed upon by the Cooperative and the deceased individual's legal representative. Payment, if any, of specially retired Capital Credits, may be discounted, paid in a lump sum, or paid in installments as determined by the Board. The Cooperative may not specially retire and pay Capital Credits allocated to an entity Member or former entity Member during or after the entity's dissolution, liquidation, or other cessation of existence. The Cooperative may not specially retire and pay Capital Credits allocated to an entity Member or former entity Member during or after the entity's reorganization, transfer, merger, or consolidation. The Cooperative may specially retire and pay Capital Credits only as provided in this Bylaw.
- (d) Capital Credit Recoupment and Offset. Regardless of a statute of limitation or other time limitation, after retiring Capital Credits allocated to a Member or former Member, the Cooperative may recoup, offset, or set-off an amount owed to the Cooperative by the Member or former Member, including any compounded interest and late payment fees, by reducing the amount of retired Capital Credits paid to the Member or former Member by the amount owed to the Cooperative.

- (e) Different and Separate Capital Credit Retirement. If the Cooperative separately identified and allocated Capital Credits representing capital credits or similar amounts allocated to the Cooperative by an entity in which the Cooperative is or was a member, patron, or owner, then the Cooperative may retire and pay these Capital Credits only after the entity retires and pays the capital credits or similar amounts to the Cooperative.

Section 10.04. Restrictions on Transfer and Assignments of Capital Credits. A Member's Capital Credits shall be assignable only on the books of the Cooperative pursuant to written instructions from the Member and only to successors in interest in the business or the physical assets of such Member unless the Board, acting under policies of general application shall determine otherwise. No assignment or transfer of Capital Credits shall be binding on the Cooperative until the Board has consented thereto, and until such transfer has been entered on the books of the Cooperative. Consent shall be granted only when such assignment or transfer is deemed by the Board to be in the best interest of the Cooperative, and consent to the proposed assignments or transfers can be withheld for any reason whatsoever.

ARTICLE XI DISPOSITION OF COOPERATIVE ASSETS

Section 11.01. Disposition and Encumbrance of Property. The Cooperative may sell, mortgage, lease, or otherwise dispose of or encumber any of its property as provided by the Members in the Articles.
