A Touchstone Energy® Cooperative 

Average Billing Plan Request Form

The Houston County Electric Cooperative Average Billing Plan is available to qualifying residential members of the Cooperative who desire to pay an average amount each month. Your average monthly payment will be determined monthly by averaging the previous 11 months of billing plus the current month. Other charges and security lights are billed in addition. Because this is a moving average, your monthly bill will normally fluctuate slightly depending on your history and current usage.

To qualify, the following conditions must all be met:

- Residential Consumers only.
- 12 months of history on the account.
- Current account balance equal to zero (\$00.00).
- No more than two (2) delinquents (payments received 16 days after issuance) in the past year.

Terms of this Billing Plan require all payments to be made on time. If payments are not received by the due date, the plan will be subject to termination. If the plan is terminated, all balances are due and payable at the time of termination.

HCEC's Bank Draft Plan is *strongly encouraged* in conjunction with the Average Billing Plan.

Complete billing information will be mailed monthly including current bill account balance and amount due.

By signature below, I request entry in to the Average Billing Plan.
